## Fundraising and Sponsorship

Will your company match fund your fundraising?

Yes      No

To secure your space, we are asking runners to pay a non-refundable deposit of £150. This will go towards your sponsorship target. If successful, are you happy to pay this?

Yes      No

As we are charged for our charity places, we ask that a minimum of £3,000 is raised in Sponsorship. If you are unable to participate in the 2027 marathon due to injury we can transfer your registration to the following year, the sponsorship you have raised so far will count towards your minimum sponsorship target the following year (2028). Transferring your place is NOT guaranteed. If we are unable to transfer your registration and the place is forfeited, we will still require you to pay your minimum sponsorship target of £3,000 by 1 July 2027. Any shortfall in fundraising would need to be paid by the participant.

Please confirm that you are happy to raise this amount.
