- To motivate patients to take a self-enabling approach to their own treatment through the use of person-centred goals.
- To carry out therapeutic interventions in all areas of Hospice individually and in groups as well as supervising and giving guidance to the therapy assistants. Ensuring all these actions/sessions are accurately observed, reported, and recorded.
- To organize their own clinical caseload and work as an autonomous professional with a high level of clinical reasoning.
- To work alongside the multi-disciplinary team (MDT) to ensure the needs of patients are identified and addressed in relation to maximizing function, ability and mobility therefore enabling the person to have the best possible quality of life and maintaining their independence.
- To have an active role in education of patients, families, and other healthcare professionals.
- Undertake appropriate holistic assessment and treatment of patients referred for physiotherapy treatment, always maintaining, the highest standards of clinical and professional practice.
- Help patients identify and work towards person centred goals set by the patient in collaboration with the team and carer as appropriate. Appreciating the psychological, social, spiritual, and cultural needs of each patient, and the implications for participation in rehabilitation.
- Autonomously prioritise and plan own programme of work. This may include delegation of patients to assistants and overseeing their clinical caseload.
- Monitor and evaluate the patient's performance in relation to their goals.
- Ensure correct and safe provision of equipment and instruct patients and carers in its use.
- Communicate effectively with other staff within Jersey Hospice Care and outside agencies, as required, about patient related matters.
- Communicate effectively with patients and carers, in keeping with their level of understanding, culture and background. This may include imparting sensitive or unwelcome news.
- As requested by the Senior Nurse, attend, multidisciplinary meetings to develop an understanding of the palliative team approach to the total care of the patient and provide verbal feedback as appropriate.

- Observe any progress, deterioration, or significant changes in the patient's condition, and accurately document this in patient notes and communicate this back to the relevant members of the MDT involved.
- Report any untoward incidence in accordance with policy and procedures.
- Apply initiative and a high level of clinical reasoning in responding to unforeseen clinical situations.
- To actively promote reablement and rehabilitation throughout all areas of Jersey Hospice Care.

2. Administrative

- To undertake delegated administrative, supportive, and domestic tasks to assist with therapy service provision as directed by the Day Hospice & Therapies Services Manager.
- Correctly record all patient-related interventions on EMIS and any other relevant clinical documents, including direct patient contact and related phone calls.
- Undertake administrative tasks pertaining to the role as requested by the Senior Nurse.
- Participate in shared responsibility for maintaining a clean and tidy work area.
- Participate in the checking and cleaning of all therapy equipment.
- Develop an understanding of the hospice policies and procedures.

3. Audit

- Be involved in audit and research initiatives across the organization as requested by the Senior Nurse.

4. Professional

- To recognise role limitations and refer on to other professionals as appropriately.
- To recognize the physical, emotional, spiritual, and social needs of patients, their relatives, and friends, and be sensitive to these.
- To maintain confidentiality at all times to comply with the Hospice Policy on Information Governance regarding staff, patients, carers and any Hospice matter.
- To maintain professional standards of conduct and behaviour including good personal time management, appearance, and reliability.
- To contribute to close working relationships with all personnel and to help build an open and honest culture that facilitates learning, creativity, and excellence.
- Must exhibit motivational, communication and diplomacy skills at a high level in an empathetic manner in order to encourage patients and their families concerning intervention programmes and continued rehabilitation. The ability to express themselves clearly, verbally and in writing is essential in preparing, presenting, and maintaining records on patients.
- To work within the boundaries of the Chartered Society of Physiotherapy Professional Codes of practice.

Specialist Palliative Care Team – The Specialist Palliative Care Team works collaboratively with all healthcare professionals island wide to ensure patients and their families receive expert advice and support in relation to palliative and end of life care in all community settings whether this is at home, in nursing and residential care homes or in hospital. The team will adopt a multidisciplinary approach to ensure that it provides complex symptom management and holistic care in order to provide patients with the optimum quality of life possible.

King Centre - The King Centre provides wellbeing services based on a rehabilitative approach that support patients affected by life limiting illnesses to enable them to live life as fully as possible, alongside their illness. The King Centre Team offers a comprehensive range of day services, including day hospice, physiotherapy, and complementary therapies. These services are provided by skilled practitioners through individual and group activities and are based upon the personal priorities, goals and needs of each patient.

In Patient Unit – The In-Patient Unit comprises of twelve single en-suite bedrooms and provides specialist 24-hour, individualised care with the aim of maintaining independence and dignity in a caring and supportive environment. Care is delivered by experienced, specialist Registered Nurses and Health Care Assistants, working with other members of the multi-disciplinary team, to ensure a holistic approach to the care of patients and their families.

Children & Young People Services - The Children & Young People Services are designed to support children and families with the challenges that having a life-threatening condition can bring. The CYP multidisciplinary team ensures each child and young person will have bespoke care, tailored to their individual medical, emotional, cultural, religious, and spiritual needs. However long or short a child's life may be, Jersey Hospice Care's is there to support every member of the family, every step of the way.

Bereavement & Emotional Support Service – The Bereavement & Emotional Support Service offers free, confidential counselling and support to anyone in the community who has suffered a loss, regardless of the nature of the bereavement. Both life limiting illness and grief following a loss can have a huge emotional impact. Our service is made up of a small team of qualified and experienced counsellors and trained volunteer bereavement support workers.

Education, Learning and Development Team - The Education, Learning and Development Team co-ordinate a broad range of academic and competency-based education programmes to support our employees irrespective of which department they work in to ensure competence and confidence in their roles. We also deliver external education across Jersey's health and social care community which focus on the principles and practice of palliative and end of life care. The overall aim is to achieve Island wide excellence in standards from a single point of education delivery.

Retail - There are two Jersey Hospice Care shops; a town shop in St Helier and a country shop in St Ouen, both operated by Jersey Hospice Care Retail Limited a wholly owned subsidiary trading company of Jersey Hospice Care. The shops are important sources of income, as well as providing a vital contact with the Island community.

Income Generation team - Are responsible for generating efficient, effective sustainable income for now and for the future. Notable key fundraising events are Million Pound Lottery, Dragon Boat Festival, 5000 Club and Christmas Tree collections.

Volunteers - Jersey Hospice Care depends on the generous support of a large body of volunteers who assist in a wide range of roles across all areas of the charity. These include helping in the shops, Day Hospice, In Patient Unit, Community Bereavement Service, fundraising and garden.

Support Services - The Support Services' employees are responsible for: People activities and support; administration tasks and projects; accounts management; reception; housekeeping; and our catering services. They provide support to Council, the Executive Team and Senior Management, and are the first point of call for those ringing or calling at Jersey Hospice Care. Privacy Notice – Employees of Jersey Hospice Care

Who we are?

We are Jersey Hospice Care (Jersey Charity Number 30), a charity that provides specialist palliative care for everyone who requires it, irrespective of cause.

We are also a Data Controller, as specified in the Data Protection (Jersey) Law 2018, in relation to any personal data you provide to us. We take the privacy and security of your personal data very seriously. This privacy policy sets out how we do that.

Why we collect your personal data?

We collect personal data for various reasons. These reasons will differ based on the types of personal data we collect and also how we use it.

Reasons will include:

- We collect and hold contact information, such as your name, address and telephone number so that relevant correspondence can be sent to you or so you can be contacted in case of an emergency.
- We will ask for details, including name and telephone number, of people you would like to be contacted in case of an emergency.
- We collect and hold bank account details such as your bank account number and sort code so that your salary can be paid to you.
- We will collect information on tax contributions you have paid whilst employed by us so that the relevant tax authorities can be informed.
- We will collect information on Social Security contributions you have paid whilst employed by us so that the relevant authorities can be informed.
- We will hold information on file relating to your performance and attendance.
- We will hold copies of sick notes that you provide to us.
- We will hold copies of any references that were provided as part of your recruitment.
- Closed Circuit Television (CCTV) is in operation within certain areas of Jersey Hospice Care premises and your image may therefore be captured. This is for your security and the security of other visitors or service users.

When do we collect your personal data?

- During the recruitment process such as when you complete a job application.
- At times throughout your employment such as when you change your address, the bank account you would like your salary paid into or if other relevant personal data changes and you inform us.
- When you fill in any forms. For example, if you are involved in an accident on our premises and we need to fill in an accident form on your behalf.
- You may also wish to take advantage of the private medical insurance or pension which Jersey Hospice Care offers as part of its employment package. This will involve the provision of personal data some of which, in the case of medical insurance, will be sensitive information as it relates to health.

What personal data do we collect?

Personal data is any information that might allow you to be identified, such as your name, address, date of birth, credit card details, I.P. address, photo or video image or voice recording. Some information you provide may also be classified as sensitive such as personal data relating to your health and wellbeing.

Types of personal data we collect will include:

- Name.
- Address and other identifying information.
- Telephone numbers and email addresses.
- Bank account details such as bank account number and sort code.
- Tax contributions.
- Social Security contributions.
- Your image, such as those captured by Closed Circuit TV (CCTV) or if you consent to us using your image in promotional material.
- Medical information contained within any sick notes you have provided to us.
- Notes from appraisals and performance reviews.

What do we use your personal data for?

As with why we collect personal data and what personal data we collect, there are many uses of personal data that we collect. These include:

- To comply with any legal obligation to which Jersey Hospice Care is subject to such as the passing of personal data to relevant Tax authorities.
- To ensure that we are meeting any contractual obligations Jersey Hospice Care has, such as the collection and processing of bank account details so that we can pay employees.
- To contact next of kin in case of an emergency.
- To develop our employees through training and education.
- To manage employee's performance through formal appraisals.

How do we protect your personal data?

We take the matter of data security very seriously. We will treat your personal data with the utmost care and will take all steps to protect it. These include:

- Training and education of employees on aspects of Data Protection
- Access to systems which contain personal data is limited to only allowing employees that need access.
- A wide range of technical security measures including firewalls to safeguard from cyberattack.

How long do we keep your personal data for?

We will only keep personal data for as long as is necessary for the purpose for which it was collected. This is known as the retention period. The retention schedule containing all retention periods is available on SharePoint.

At the end of the retention period your personal data will be deleted.

Who has access to your personal data?

Any Jersey Hospice Care employees member or representatives, permanent or temporary, who come into contact with your information, must be aware of and adhere to the requirements of the Data Protection (Jersey) Law 2018. We will not sell or rent your personal data to third parties. Access to personal data is restricted to only members of employees who need access to that information.

Lawful basis for collecting personal data

In the circumstances where Jersey Hospice Care is required to use personal data, we will only do this if;

- We have gained consent from you to use your information for a specific purpose or purposes such as direct marketing of our products and services or fundraising events.
- To comply with a legal obligation to which Jersey Hospice Care is subject to.
- It is necessary to the performance of a contract you have entered into with us.
- It is necessary for the legitimate interests of Jersey Hospice Care to process your personal data, but our legitimate interests do not outweigh your rights.

Sharing your personal data

The sharing of personal data is strictly controlled by law. There are circumstances where the sharing of information is valid.

Jersey Hospice Care protects itself financially through the application of certain types of insurance such as income protection insurance. In order to do this some personal data, such as name and salary, is shared with our insurers. This is in order to provide the relevant level of protection and also for the relevant pay out to be made in the event of an insurance claim. Not all insurance policies taken out by Jersey Hospice Care will involve the passing of personal data to a third party.

Personal data can also be shared to a third party if:

- Where we have been instructed to do so by law
- Where we believe the reasons for sharing are so important, they override our obligation of confidentiality. Such as to support the investigation and prosecution of offenders or to prevent serious crime.
- Where we are legally required to do so.

What are your rights in relation to your personal data?

Under the Data Protection (Jersey) Law 2018 you have certain legal rights in relation to how your personal data is processed. These are:

- **Right of Access** (We have to tell you if we have your personal data, what it is used for and let you have access if you request it, which is known as a Subject Access Request).
- **Right to Rectify** (We have to correct your personal data if you request us to).
- **Right of Erasure** (If we do not have a lawful basis for holding your information, for instance we are relying on your consent and you withdraw that consent, then we have to delete your personal data).
- **Right to Restriction** (If you want us to stop processing your personal data but do not want it deleting).
- **Right to Portability** (If you request us to give you your personal data in a common, machine readable format).
- **Right to Object** (You can object to your personal data being used for direct marketing, including profiling for direct marketing or being processed for scientific / historical research or statistics).

Under the new Data Protection law, you have the Right of Access to the personal data that we have collected and processed about you. This right includes both the right to know if we have collected personal data on you and also the right to see what personal data we have collected.

In most cases, it is likely that we would be able to deal with any requests to see personal data we hold on you in an informal way. For example, if you want to see a single, specific document, this would be fulfilled at the time the request is made.

If a request is made to see lots of different documents or, for example, the information also contains the personal data of another individual, this is likely to be more complex and therefore requires a more formal request. This is known as a **Subject Access Request**.

If you wish to make a **Subject Access Request**, this should be done in writing, either by post or email and can be sent to either of the following addresses: **Governance Team, Jersey Hospice Care, Mont Cochon, St Helier, Jersey JE2 3JB** or email:

dataprotectionofficer@jerseyhospicecare.com

You can also contact us about anything else relating to your personal data.

Your right to lodge a complaint with a supervisory authority

If you feel that your data has not been handled correctly, or you are unhappy with our response to any requests you have made to us regarding the use of your personal data, you have the right to lodge a complaint with the Office of Information Commissioner.

You can contact them by calling **+44 (0)1534 716530** or go online to:
