

Jersey Hospice Care
your care, your choice, your time

JOB DESCRIPTION

Job Title:	Children & Young People Health Care Assistant
Reports to:	Children & Young People Senior Nurse
Department:	Children & Young People Team
Hours:	37.5 hours per week
Working Pattern:	5 days per week, between Monday to Friday (Core Hours 9:00 – 17:00) as agreed with Line Manager (flexibility to allow for the provision of school holidays, after school and evening respite care)
Contract Type:	Permanent
Pay Code:	NM01 or NM02

General

Jersey Hospice Care is an independent charity which provides palliative care services within the community and the hospital, as well as through the King Centre and In-Patient Unit facilities. All services benefit from a well-resourced multi-professional team with skills and expertise in palliative and end of life care. These services are provided at no cost to the patient or their family.

Job Summary

The post holder will work as part of the Children and Young People Team at Jersey Hospice Care providing support in the delivery of high standards of palliative care to children and young people with life-limiting and life-threatening conditions.

The post holder will help provide appropriate physical, emotional, social, and spiritual care, in collaboration with the child, young person and family under the direction of Registered Nurses, and in accordance with agreed care plans, guidelines and policies.

The candidate will be enthusiastic, passionate, adaptable, and committed to developing and expanding the Children and Young People's service, supporting the Senior Nurse at all times, and demonstrating resilience to effectively deal with a range of potentially emotional situations, affecting children, young people, their families and colleagues.

Job Context

The post holder will work in collaboration with the Children and Young People Team across multiple settings including the community, the hospital, schools, family homes and in the dedicated respite rooms at Jersey Hospice Care.

Core service hours are primarily Monday to Friday, between 9:00hrs to 17:00hrs, however the candidate is required to be responsive to the child, young person, and family needs, providing a more flexible working pattern that allows for the provision of school holidays, after school and evening respite care.

Nature and Scope of Role

The accountabilities of the role will include but are not limited to supporting the Children and Young People Team in the following areas:

1. **Care Delivery**
2. **Governance and Safety**
3. **Teamwork**
4. **Effective use of Resources**
5. **Education and Training**

In addition, the post holder is required to operate in adherence to Jersey Hospices Care Culture Pathway, Vision, Mission, Values and Behaviours.

1. Care Delivery

- To always work in adherence with the 'Code of Conduct for Healthcare Support Workers in Jersey'.
- To work as a member of the multidisciplinary team under the leadership of the nurse in charge.
- Help create a welcoming, caring, safe and supportive environment for patients, families and all involved in the work of the hospice.
- To take responsibility and accountability caring for children and young people holistically and to be proactive in contributing to their personalised care plans.
- To ensure care delivered follows the child or young person's personalised plans of care and any updates or concerns observed, clearly communicated to the team and nurse in charge when required.
- To provide high quality care for children and young people with complex health care needs and supporting members of their families.
- To be proactive in planning and organising activities to meet the individual child or young person's needs with a child centred focus on providing quality care and experiences that improves quality of life.
- To provide support and assistance to registered nurses when carrying out nursing procedures.
- Communicate factual information to children, young people and their family's using reassurance, tact and sensitivity.
- To recognise change in the child or young person's clinical condition escalating any concerns to the nurse in charge.
- To respect diversity, values, and spirituality of children, young people and their families and contribute to the provision of a service sensitive to these needs.

- To ensure privacy and dignity of children, young people, and their families at all times and in adherence with JHC policies and procedures.
- To always promote the safeguarding and welfare of children and young people, understanding and knowing how to escalate concerns.
- Act within the limits of your competence and authority, recognising the need to refer to the nurse in charge or Senior Nurse if any concerns arise.
- To demonstrate good communication skills with children, young people and their families building trust and rapport.
- To demonstrate effective communication with members of the Children and Young People Team and external services with a solution finding focus.

2. Governance and Safety

- To adhere to all Jersey Hospice Care policies and procedures and undertake a shared responsibility for infection control and health and safety throughout the organisation.
- To have the highest regard for the principles of confidentiality and the importance of obtaining consent, ensuring adherence to good record keeping, JHC data collection and consent policy.
- To contribute to ongoing assessments of children and young people's care needs, recognising the need to refer to the nurse in charge for reassessment.
- To report any initial complaints and conflict, in a polite, calm manner and report to the Senior Nurse as soon as possible.
- To report to the Senior Nurse any risk, hazards or accidents that may occur and demonstrate timely reporting via the 'Assure' reporting system where relevant.
- To support the promotion of a culture of openness by learning from own and/or others care delivery experiences.
- To participate in reflection and clinical supervision in adherence with Jersey Hospice Care policy.
- To participate in audit data collection relating to health and safety and infection control for quality improvement and ensuring high quality care.

3. Teamwork

- To proactively participate in Children and Young People Team meetings including safety huddles, action planning and setting objectives for service development.
- Demonstrate a positive attitude and actively seeks solutions to problems.
- To work flexibly alongside children, young people, and their families, whilst maintaining best practice within the team and allowing the family to choose the level of involvement with the care delivered.
- To work closely with other members of the care team, recognising and working within own capabilities and competence whilst always acting in the best interests of the child, young person, and their family.
- Generate a friendly team spirit and effective communication with all staff and volunteers at Jersey Hospice Care.
- Be flexible in working patterns due to the unpredictable nature of the patients' needs /service needs.

4. Effective use of Resources

- To ensure that all equipment is in good working order, cleaned after every use, stored safely and appropriately according to the Jersey Hospice Care Infection Prevention and Control policy.

- To assist with the smooth running of the physical care environment by carrying out other duties such as stock ordering, unpacking stores, tidying, and monitoring and cleaning of equipment.
- To manage own time and workload effectively to meet the objectives, skills, and competencies.
- Promote the work of Jersey Hospice Care, demonstrating an awareness of budgetary constraints when working for a charity.

5. Education and Training

- To undertake mandatory training in line with Jersey Hospice Care requirements, completing JHC mandatory & statutory study days/ e-learning as directed.
- To develop and maintain skills and competencies that are required to meet the demands of the role as it evolves over time.
- Participate in appraisals and / or one to one meeting with line manager, identify own learning needs and take necessary steps to reach personal objectives.
- To always act as a role model for Jersey Hospice Care both within and outside of working hours and conduct yourself in a professional manner.
- To share, either verbally or written, knowledge gained from attending study/ training days with the rest of the children's team and the wider hospice teams as appropriate.
- Maintain up-to-date knowledge and awareness of issues around the safeguarding of children and young people, ensuring that appropriate steps are facilitated through effective communication with the Senior Nurse.
- Participate in the orientation of new staff, students and supporting Jersey Hospice Care Volunteers.

GENERAL DUTIES

In addition to the key job responsibilities detailed in this job description all employees at Jersey Hospice Care are expected to comply with the general duties detailed below:

Infection Prevention and Control - Maintain a clean, safe environment, ensuring adherence to Jersey Hospice Care's standards of cleanliness, hygiene and infection prevention and control.

Safeguarding - Jersey Hospice Care is committed to safeguarding and promoting the welfare of adults, children, and young persons. All employees are therefore expected to behave in such a way that supports this commitment.

Foundation Level Safeguarding Training will be provided to all non-clinical employees and all clinical employees will be required to attend Safeguarding training in line with the Intercollegiate Document recommendations (RCN, 2018).

Information Governance - Jersey Hospice Care has undertaken to ensure that it meets its obligations to comply with the Data Protection (Jersey) Law 2018 and other guidance and standards of confidentiality and information security.

All employees have an individual responsibility for creating accurate records of their work and for making entries into and managing all records effectively in line with policies and procedures and to ensure Jersey Hospice Care meets its legal, regulatory and accountability requirements.

Governance - Actively participate in governance activities to ensure that the highest standards of care and business conduct are achieved.

Health & Safety - Ensure a safe working environment and be aware of responsibilities under the Health and Safety at Work (Jersey) Law 1989, taking appropriate action in the event of an accident to patients, employees, self, or any other person in the work area.

To co-operate fully in discharging the policies and procedures with regard to health and safety matters.

Whilst the aim of Jersey Hospice Care is to promote a co-operative and constructive view of health and safety concerns in the organisation, all employees must be aware that a wilful or irresponsible disregard for safety matters may give rise to disciplinary proceedings.

Volunteers – All employees have an individual responsibility to recruit, train and support volunteers as appropriate, to achieve Jersey Hospice Care objectives, making best use of volunteers and to minimise costs.

OTHER INFORMATION

Data Protection - Applications made in respect of this position will remain confidential, those that are unsuccessful will be kept for a period of 12 months from date of receipt at which point they will be destroyed. The application of the successful candidate will be kept on their personnel file for three years post termination of employment. For further explanation see Appendix A 'fair processing statement'.

Equal opportunities statement - Jersey Hospice Care is committed to eliminating discrimination and encouraging diversity amongst our workforces. We demonstrate commitment to equality and fairness for all in our employment and do not discriminate on the grounds of gender, marital status, race, ethnic origin, colour, nationality, national origin, disability, sexual orientation, religion, or age. We oppose all forms of unlawful and unfair discrimination.

Jersey Hospice Care operates a strict no smoking policy.

NB: Although this is a comprehensive job description, you may be required to undertake other duties assigned by Jersey Hospice Care in response to organisational or service demands.

JERSEY HOSPICE CARE BACKGROUND

Specialist Palliative Care Team – The Specialist Palliative Care Team works collaboratively with all healthcare professionals island wide to ensure patients and their families receive expert advice and support in relation to palliative and end of life care in all community settings whether this is at home, in nursing and residential care homes or in hospital. The team will adopt a multidisciplinary

approach to ensure that it provides complex symptom management and holistic care in order to provide patients with the optimum quality of life possible.

King Centre - The King Centre provides wellbeing services based on a rehabilitative approach that support patients affected by life limiting illnesses to enable them to live life as fully as possible, alongside their illness. The King Centre Team offers a comprehensive range of day services, including day hospice, physiotherapy, and complementary therapies. These services are provided by skilled practitioners through individual and group activities and are based upon the personal priorities, goals and needs of each patient.

In Patient Unit – The In-Patient Unit comprises of twelve single en-suite bedrooms and provides specialist 24-hour, individualised care with the aim of maintaining independence and dignity in a caring and supportive environment. Care is delivered by experienced, specialist Registered Nurses and Health Care Assistants, working with other members of the multi-disciplinary team, to ensure a holistic approach to the care of patients and their families.

Children & Young People Services - The Children & Young People Services are designed to support children and families with the challenges that having a life-threatening condition can bring. The CYP multidisciplinary team ensures each child and young person will have bespoke care, tailored to their individual medical, emotional, cultural, religious, and spiritual needs. However long or short a child's life may be, Jersey Hospice Care's is there to support every member of the family, every step of the way.

Bereavement & Emotional Support Service – The Bereavement & Emotional Support Service offers free, confidential counselling and support to anyone of all ages in the community who has suffered a loss, regardless of the nature of the bereavement. Both life-limiting illness and grief following a loss can have a huge emotional impact. The service is made up of a small team of qualified and experienced counsellors and trained volunteer bereavement support workers.

Education, Learning and Development Team - The Education, Learning and Development Team co-ordinate a broad range of academic and competency-based education programmes to support our employees irrespective of which department they work in to ensure competence and confidence in their roles. We also deliver external education across Jersey's health and social care community which focus on the principles and practice of palliative and end of life care. The overall aim is to achieve Island wide excellence in standards from a single point of education delivery.

Retail - There are two Jersey Hospice Care shops; a town shop in St Helier and a country shop in St Ouen, both operated by Jersey Hospice Care Retail Limited a wholly owned subsidiary trading company of Jersey Hospice Care. The shops are important sources of income, as well as providing a vital contact with the Island community.

Income Generation team - Are responsible for generating efficient, effective sustainable income for now and for the future. Notable key fundraising events are Million Pound Lottery, Dragon Boat Festival, 5000 Club and Christmas Tree collections.

Volunteers - Jersey Hospice Care depends on the generous support of a large body of volunteers who assist in a wide range of roles across all areas of the charity. These include helping in the shops, Day Hospice, In Patient Unit, Community Bereavement Service, fundraising and garden.

Support Services - The Support Services' employees are responsible for: People activities and support; administration tasks and projects; accounts management; reception; housekeeping; and

our catering services. They provide support to Council, the Executive Team and Senior Management, and are the first point of call for those ringing or calling at Jersey Hospice Care. They are vital to the smooth running of the charity.

Privacy Notice – Employees of Jersey Hospice Care

Who we are?

We are Jersey Hospice Care (Jersey Charity Number 30), a charity that provides specialist palliative care for everyone who requires it, irrespective of cause.

We are also a Data Controller, as specified in the Data Protection (Jersey) Law 2018, in relation to any personal data you provide to us. We take the privacy and security of your personal data very seriously. This privacy policy sets out how we do that.

Why we collect your personal data?

We collect personal data for various reasons. These reasons will differ based on the types of personal data we collect and also how we use it.

Reasons will include:

- We collect and hold contact information, such as your name, address and telephone number so that relevant correspondence can be sent to you or so you can be contacted in case of an emergency.
- We will ask for details, including name and telephone number, of people you would like to be contacted in case of an emergency.
- We collect and hold bank account details such as your bank account number and sort code so that your salary can be paid to you.
- We will collect information on tax contributions you have paid whilst employed by us so that the relevant tax authorities can be informed.
- We will collect information on Social Security contributions you have paid whilst employed by us so that the relevant authorities can be informed.
- We will hold information on file relating to your performance and attendance.
- We will hold copies of sick notes that you provide to us.
- We will hold copies of any references that were provided as part of your recruitment.
- Closed Circuit Television (CCTV) is in operation within certain areas of Jersey Hospice Care premises and your image may therefore be captured. This is for your security and the security of other visitors or service users.

When do we collect your personal data?

- During the recruitment process such as when you complete a job application.
- At times throughout your employment such as when you change your address, the bank account you would like your salary paid into or if other relevant personal data changes and you inform us.
- When you fill in any forms. For example, if you are involved in an accident on our premises and we need to fill in an accident form on your behalf.
- You may also wish to take advantage of the private medical insurance or pension which Jersey Hospice Care offers as part of its employment package. This will involve the provision of personal data some of which, in the case of medical insurance, will be sensitive information as it relates to health.

What personal data do we collect?

Personal data is any information that might allow you to be identified, such as your name, address, date of birth, credit card details, I.P. address, photo or video image or voice recording. Some information you provide may also be classified as sensitive such as personal data relating to your health and wellbeing.

Types of personal data we collect will include:

- Name.
- Address and other identifying information.
- Telephone numbers and email addresses.
- Bank account details such as bank account number and sort code.
- Tax contributions.
- Social Security contributions.
- Your image, such as those captured by Closed Circuit TV (CCTV) or if you consent to us using your image in promotional material.
- Medical information contained within any sick notes you have provided to us.
- Notes from appraisals and performance reviews.

What do we use your personal data for?

As with why we collect personal data and what personal data we collect, there are many uses of personal data that we collect. These include:

- To comply with any legal obligation to which Jersey Hospice Care is subject to such as the passing of personal data to relevant Tax authorities.
- To ensure that we are meeting any contractual obligations Jersey Hospice Care has, such as the collection and processing of bank account details so that we can pay employees.
- To contact next of kin in case of an emergency.
- To develop our employees through training and education.
- To manage employee's performance through formal appraisals.

How do we protect your personal data?

We take the matter of data security very seriously. We will treat your personal data with the utmost care and will take all steps to protect it. These include:

- Training and education of employees on aspects of Data Protection
- Access to systems which contain personal data is limited to only allowing employees that need access.
- A wide range of technical security measures including firewalls to safeguard from cyberattack.

How long do we keep your personal data for?

We will only keep personal data for as long as is necessary for the purpose for which it was collected. This is known as the retention period. The retention schedule containing all retention periods is available on SharePoint.

At the end of the retention period your personal data will be deleted.

Who has access to your personal data?

Any Jersey Hospice Care employees member or representatives, permanent or temporary, who come into contact with your information, must be aware of and adhere to the requirements of the Data Protection (Jersey) Law 2018. We will not sell or rent your personal data to third parties. Access to personal data is restricted to only members of employees who need access to that information.

Lawful basis for collecting personal data

In the circumstances where Jersey Hospice Care is required to use personal data, we will only do this if;

- We have gained consent from you to use your information for a specific purpose or purposes such as direct marketing of our products and services or fundraising events.
- To comply with a legal obligation to which Jersey Hospice Care is subject to.
- It is necessary to the performance of a contract you have entered into with us.
- It is necessary for the legitimate interests of Jersey Hospice Care to process your personal data, but our legitimate interests do not outweigh your rights.

Sharing your personal data

The sharing of personal data is strictly controlled by law. There are circumstances where the sharing of information is valid.

Jersey Hospice Care protects itself financially through the application of certain types of insurance such as income protection insurance. In order to do this some personal data, such as name and salary, is shared with our insurers. This is in order to provide the relevant level of protection and also for the relevant pay out to be made in the event of an insurance claim. Not all insurance policies taken out by Jersey Hospice Care will involve the passing of personal data to a third party.

Personal data can also be shared to a third party if:

- Where we have been instructed to do so by law
- Where we believe the reasons for sharing are so important, they override our obligation of confidentiality. Such as to support the investigation and prosecution of offenders or to prevent serious crime.
- Where we are legally required to do so.

What are your rights in relation to your personal data?

Under the Data Protection (Jersey) Law 2018 you have certain legal rights in relation to how your personal data is processed. These are:

- **Right of Access** (We have to tell you if we have your personal data, what it is used for and let you have access if you request it, which is known as a Subject Access Request).
- **Right to Rectify** (We have to correct your personal data if you request us to).
- **Right of Erasure** (If we do not have a lawful basis for holding your information, for instance we are relying on your consent and you withdraw that consent, then we have to delete your personal data).
- **Right to Restriction** (If you want us to stop processing your personal data but do not want it deleting).
- **Right to Portability** (If you request us to give you your personal data in a common, machine-readable format).
- **Right to Object** (You can object to your personal data being used for direct marketing, including profiling for direct marketing, or being processed for scientific / historical research or statistics).

Under the new Data Protection law, you have the Right of Access to the personal data that we have collected and processed about you. This right includes both the right to know if we have collected personal data on you and also the right to see what personal data we have collected.

In most cases, it is likely that we would be able to deal with any requests to see personal data we hold on you in an informal way. For example, if you want to see a single, specific document, this would be fulfilled at the time the request is made.

If a request is made to see lots of different documents or, for example, the information also contains the personal data of another individual, this is likely to be more complex and therefore requires a more formal request. This is known as a **Subject Access Request**.

If you wish to make a **Subject Access Request**, this should be done in writing, either by post or email and can be sent to either of the following addresses: **Governance Team, Jersey Hospice Care, Mont Cochon, St Helier, Jersey JE2 3JB** or email:

dataprotectionofficer@jerseyhospicecare.com

You can also contact us about anything else relating to your personal data.

Your right to lodge a complaint with a supervisory authority

If you feel that your data has not been handled correctly, or you are unhappy with our response to any requests you have made to us regarding the use of your personal data, you have the right to lodge a complaint with the Office of Information Commissioner.

You can contact them by calling **+44 (0)1534 716530** or go online to:

<https://oicjersey.org/online-enquiry/#/complain/form>
