

# Our Memory Tree

**Jersey Hospice Care**  
your care, your choice, your time

The Memory Tree is a simple and lasting tribute – a piece of art celebrating the lives of loved ones, with each leaf inscribed with a name of those who are with us no longer but who are still remembered with love. Our beautiful Memory Tree will decorate the wall of the King Centre at Hospice, in the quiet café area where visitors can take a moment to stop and remember their loved ones.

Every leaf remains on the Memory Tree for one year, during which time you are very welcome to visit and see the full effect of the many leaves together that form this beautiful windswept tree. At the end of the year, you will be offered the option to keep your leaf on display or have it sent to you to keep.

We know that many people find great comfort in being able to celebrate the lives of their loved ones – whether

they were cared for by our team at Hospice or not. By inscribing a leaf on our Memory Tree, you will be creating a lasting and tangible memory in their honour. But more than that, the donation you make with your leaf will enable us to help other families who need our care today, helping them to make their own precious memories through our work to help them to live life to the full even when time is short.

## YOUR STEP BY STEP GUIDE

### CHOOSE YOUR LEAF

Our Memory Tree has three distinct leaf colours for you to choose from. Each leaf represents a different amount of vital funds that will help fund the many aspects of care we provide free of charge to all those who need our support. Please see below for our suggested donations:

#### ROSE GOLD COLOURED

£15 a month  
(or £180 a year)

This could fund a  
course of bereavement  
counselling

#### WHITE GOLD COLOURED

£37 a month  
(or £444 a year)

This could fund  
12 home visits from a  
Clinical Nurse Specialist

#### YELLOW GOLD COLOURED

£62.50 a month  
(or £750 a year)

This could fund  
one day's care on  
the In Patient Unit

Once you have chosen your leaf, complete the form opposite and return to Jersey Hospice Care.

### CONFIRM YOUR INSCRIPTION

We will send you a letter confirming your inscription before sending your leaf to our engraver and informing you of when the leaf will be available to view on the tree (usually within 28 days of the letter date). The location and date of the installation of all leaves on the Memory Tree are at the discretion of Hospice and are subject to remaining availability of leaves and spaces on the tree.

### ADDITIONAL LEAVES

Should you wish to have additional leaves engraved for you or your loved ones to have at home, in addition to the leaf on the Memory Tree, these can be purchased for a single further donation of £40 each.

### RENEW OR KEEP

Your leaf will be in place on our Memory Tree for 12 months (or until your Direct Debit expires if paying monthly). We will write to you again towards the end of this time to give you the option to renew your donation or have the leaf sent to you, to keep forever.
